Cambridge IGCSE® Business Studies Coursebook with CD-ROM

Mark Fisher 2014-05-29 This revised set of resources for Cambridge IGCSE Business Studies syllabus 0450 (and Cambridge O Level Business Studies syllabus 7115) is thoroughly updated for the latest syllabus for first examinations from 2015. Written by experienced teachers, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; case studies contextualise the content making it relevant to the international learner. It provides thorough examination support for both papers with questions at the end of each chapter and an extensive case study at the end of each unit. The CD-ROM contains revision aids, further questions and activities. A Teachers CD-ROM is also available.

The SAGE Encyclopedia of Economics and Society

Frederick F. Wherry 2015-09-01 Economics is the nexus and engine that runs society, affecting societal well-being, raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly. Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world. From a household budget to international trade, economics ranges from the micro- to the macro-level. It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia, which will explicitly approach economics through varied disciplinary lenses. Although there are encyclopedias of covering economics (especially classic economic theory and history), the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world, contemporary issues, and society. Features: 4 volumes with approximately 800 signed articles ranging from 1,000 to 5,000 words each are presented in a choice of print or electronic editions Organized A-to-Z with a thematic Reader's Guide in the front matter groups related entries Articles conclude with References & Future Readings to guide students to the next step on their research journeys Cross-references between and among articles combine with a thorough Index and the Reader's Guide to enhance search-and-browse in the electronic version Pedagogical elements include a Chronology of Economics and Society, Resource Guide, and Glossary This academic, multi-author reference work will serve as a general, non-technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens.
