The Genre of Biblical Commentary Timothy D. Finlay 2015-10-16 The genre of biblical commentary is as old as the Bible itself, and remains very much alive as a point of illuminating contact between the ancient text and its modern readers. In this volume, fourteen international Old Testament experts reflect upon multiple challenges of contemporary biblical commentary as a scholarly endeavor. How does a commentator strike a balance between engagement with the biblical text and the commentary tradition that the text has generated over the centuries? How does academically rigorous commentary-writing remain relevant for pastoral and lay readers of the Bible? Ancient biblical writers are notoriously diverse in their theological and literary nuances. Modern readers approach the Bible from an equally wide spectrum of interests. How does today's commentator act responsibly for all the text's stakeholders? John E. Hartley is widely respected for the multiple volumes he has produced with these questions in mind. This collection of essays appears in celebration of his accomplishments in the genre of Old Testament biblical commentary.

Christmas Story in Prophecy Rose Publishing 2013-12-06 The Christmas Story: Scripture from the Gospels and the Prophets Here is the story of Jesus' birth and the fulfillment of Old Testament prophecies in a beautiful ebook that can be used as a handout at Christmas and as a Bible study to use during Advent. Using traditional wording from Matthew and Luke's Gospels, and beautiful full-color art, this ebook starts with the angelic announcement of John the Baptist's birth and the angel Gabriel's visit to Mary. It continues with Mary and Joseph traveling to Nazareth, the birth of Jesus, and the visitation of the shepherds and the Wise Men. It ends with the Gospel story and a forward look toward Christ's second coming. This beautiful ebook will be treasured. Contains suggestions for Advent celebrations and traditional suggested readings; also includes suggestions for using the ebook as a Christmas program script. Ideas for Use Questions for Discussion or Journaling: •Read "The Advent of Hope" (panels 1-4). In the New Testament, John the Baptist fulfills the role of Elijah (also known as Elias in some Bible versions). What did the ancient biblical prophecies say he would do and why? •How did Jesus fulfill Psalm 89:3-4? What is the connection between Jesus and King David? •How did Mary respond to the angel's message? How did Joseph respond? How does the Lord deal with our own confusion in life? •Read "The Advent of Peace" (panels 5-6). In those days, the most powerful man in the world was Caesar Augustus. Look at the Old Testament prophecies. How is Jesus similar and different from Caesar? You may want to compare their status in society, their wealth and power, and their effect on future societies. Both would bring a kind of peace to the world. How would you describe the differences? •Read "The Advent of Joy" (panels 8-9). King Herod of Judea was one of the most ruthless rulers of the time. As a baby, Jesus had powerful enemies and his life was in danger. How did God protect him? Many people expected Jesus to be

the Messiah for the Jewish people only, but God's plan was to bless the entire world. How do we see hints in these Scriptures. •Read "The Advent of Love" (panels 10-11). The Christmas story is more than the story of a tiny baby. Jesus was sent to earth to "seek and save" us. How was Jesus similar to us? How is he different? •Read Isaiah 53:5-6. What was the greater purpose for Jesus' life? How did he redeem us? Why is Jesus good news for all people? •At the time of Jesus' birth there was war and destruction. Within a few years of Jesus' death, Jerusalem and the Temple were destroyed. What hope does Jesus bring to a dark world? •Jesus died, rose again, and ascended into heaven where he intercedes with the Father on our behalf. What is our response to Jesus? What claim does he have on our lives? Have you ever asked him to forgive your sins and be Messiah and king of your life?

The DISC Personality System - Revised and Expanded Edition The Institute for Motivational Living 2008-02

The Torn Veil Daniel M. Gurtner 2006-12-21 In this 2006 text, Daniel M. Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism. Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew. He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing, in part, end-time images drawn from Ezekiel 37. Moreover, when the veil is torn Matthew depicts the cessation of its function, articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies (as in Hebrews), but in trademark Matthean Emmanuel Christology: 'God with us'. This underscores the significance of Jesus' atoning death in the first gospel. **Gospel Principles** The Church of Jesus Christ of Latter-Day Saints 1981 A Study Guide and a Teacher's Manual *Gospel Principles* was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Master Painter Jack R. Lundbom 2015-03-19 Millions of people recognize the religious painting know as Head of Christ, of which an estimated five hundred million prints have been sold. Very few, however, know the artist, Warner E. Sallmann. Sallman's lack of notoriety in professional art circles can be explained by the fact that he made little or no attempt to put himself forward as a Chicago or even a Swedish American artist. He had no exhibitions of his works, and his public life consisted largely of appearances before church and community groups to do chalk drawings. More important was his attitude regarding personal fame. Sallman let the Christ he painted be in the foreground, while the artist remained in the background. "The time has come," argues Jack Lundbom, "for a broader public to know the man who stands behind the painting and the other artwork bearing the Sallman signature." Master Painter is a fascinating story of a gifted man with humble beginnings who overcame disappointment, ill health, and personal limitations in order to live out a vision: that his art serve not only for the enjoyment of humankind, but the practical end of instructing persons in the ways of God. Readers who know the art can now know the artist. It is a story eminently worth telling and one a broad public will be interested to know.

Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible,' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's

leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." -- Kirkus Reviews

We actually used the Rose book to prepare the groups that were waiting to enter. One guest ordered a copy from you. It was very helpful. I attached the script we used for our guides. We had about 1000 visitors go through before one of the worst storms I have ever seen here made the structure

unstable and the ground too wet. We fight quite a battle here in what the New Age calls its capital. Many were very moved. One Jewish man exclaimed at the end of the tour, 'So the tabernacle was all about the Messiah!' --- Paul Wallace, The Tabernacle Journey"
