NCLEX-PN Flashcard Book Rebekah Warner 2012-05-11 REA's NCLEX-PN Flashcards Are Indispensable! Hundreds of Must-Study Questions and Answers! REA's Interactive Flashcard® book for the NCLEX-PN exam helps nursing students check their test-readiness before taking this all-important exam. Our flashcard book is the perfect on-the-go study supplement and offers a quick and convenient way to practice answering questions. Written by an experienced RN, these flashcards give students full scenarios to evaluate in a multiple-choice format, just like the actual test. This recommended study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the medical/nursing profession and its history. Unlike most

flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam!

NCLEX-RN® EXCEL, Second Edition Ruth A. Wittmann-Price, PhD, RN, CNE, CHSE, ANEF 2016-11-15 Promotes mastery of the more challenging 2016 exam! This ultimate NCLEX-RN® review book that “helps you think like a nurse” has been fully updated to incorporate the 2016 test plan. Including more complex case studies to reflect the difficulty of the exam, this comprehensive review encourages active learning to master the content. Each evolving case study is broken down into realistic clinical

problems that students can solve only by using the critical thinking skills necessary for the NCLEX-RN exam. Interspersed with over 700 interactive questions and rationales, audio-based questions, and electronic learning resources, the case studies mimic real-life nursing situations and provide models to help students problem-solve when taking the actual test. The review is presented in an enjoyable format without the drudgery of question after unrelated question or medical terminology flashcards. Multiple-choice questions, select all that apply, hot spots, matching, true and false, prioritizing, gaming, and calculations replicate the actual NCLEX-RN exam and keep students engaged throughout the review process. Each nursing specialty features a chapter on its specific pharmacology principles, culminating in a stand-alone chapter solely dedicated to reviewing pharmacological principles. Beyond its utility as an exam review, this resource is also a unique case study book designed to assist instructors in delivering

content in an innovative format. New to the Second Edition: Fully updated to mirror the new 2016 test plan Reflects new changes in nursing, including prioritization, delegation, room assignment, The Joint Commission competencies, work-arounds, Situation, Background, Assessment, and Recommendation (SBAR) reporting, and value-based care More in-depth case studies to reflect greater exam complexity New chapters on gerontology nursing, men's health, and veterans' health New question types, including audio-based New e-learning component New responses to questions are defined by test plan categories and difficulty level Adds many new interactive questions and answers Key Features: Uses unfolding case study approach, integrating all patient care content areas with practice and professional roles Mirrors NCLEX test blueprint Offers an enjoyable study option distinct from traditional Q & A Provides over 700 questions and answers using varied NCLEX question styles Includes
